INTRODUCTION

Explore the stunning shores of the White Continent on this 11 day Antarctica Cruise. Antarctica is a destination like no other. You can marvel at the untouched natural beauty of the 7th continent.

Travel on the premium expedition vessel, the MS Seaventure which is well equipped to navigate the ice choked waters and cross the Drake Passage. Your expert expedition team will ensure you spend the maximum amount of time off the ship. Enjoy landings on the South Shetland Islands and cruise in zodiacs exploring the unique coves and bays of the Antarctic Peninsula. Encounter whales, seals and penguins, engage with scientific projects on board your vessel and learn about the unique history of the region and the explorers who have chartered this remote region.

ITINERARY

DAY 1: Arrival in Ushuaia

After a friendly welcome at the airport and a transfer to your included hotel, take some time to unwind or explore the southernmost city in the world, Ushuaia. Our evening briefing is your opportunity to ask questions and meet some of your fellow explorers.

DAY 2: Embarkation

Spend your morning relaxing at the hotel, visiting a museum, or exploring the shops in Ushuaia, before our mid-afternoon escort to the ship. Our Expedition Team and ship staff will welcome you on board and help you get settled in, followed by a safety and orientation briefing and our Captain’s welcome dinner. We’re on our way to Antarctica!

DAY 3: Drake Passage - Day 3 & 4

Join our Polar Experts as they share their vast knowledge of Antarctica, from its enchanting wildlife to its bold history. Participate in our pioneering Citizen Science program, or sit back and take in this fabled journey while catching glimpses of rarely seen wildlife. Keep your binoculars handy to identify the many seabirds that escort our ship as we cross the Antarctic Convergence into Antarctica’s waters and noticeably cooler temperatures.

DAY 5: South Shetland Islands

Over time, the volcanic activity of the South Shetland Islands has created a unique geology. Here, you can expect a spectacular display of mountains, glaciers, and wildlife, including Chinstrap and Gentoo penguins. It's not uncommon to share the water’s edge with Elephant and Fur seals. Whales are often spotted as well. We’ll settle into our Zodiacs and spend most of the day exploring. Kayakers, it’s time to get your first taste of gliding just inches above the pristine Antarctic water. Whether on land or sea, in Zodiac or kayak, be prepared for a fully immersive introduction to this incomparable part of the world.

DAY 6: Antarctica - Day 6 to 8

Here’s our chance to explore numerous picturesque bays and harbors, maneuvering through iceberg-rich channels and wildlife-rich waters. We’ll likely be joined by numerous species of enchanting penguins, seals, and whales, both in the sea and along the rugged coastlines. There will be great opportunities to stop at several active scientific bases and historic landing sites during our typical two-a-day outings. A night of camping under the stars is also an unforgettable highlight for those who sign up. Our focus is always on the longest and most adventurous off-ship experiences, so be prepared to take in all that Antarctica has to offer.

DAY 9: Drake Passage - Day 9 & 10

We leave this magical place and make our way north, once again crossing the legendary Drake Passage. We have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and a final meal together.

DAY 11: Disembarkation in Ushuaia

With huge smiles on weary, content faces, we disembark in the morning, letting you catch a flight to Buenos Aires or stay in Ushuaia for more sights and adventure.
