INTRODUCTION

Embark on a exceptional journey to Antarctica with this Fly/Cruise itinerary. Start with a two-hour flight from Punta Arenas, Chile, directly to your expedition ship, avoiding stormy seas. Once aboard the Magellan Discoverer, enjoy state-of-the-art amenities including a presentation room, a panoramic viewing lounge, and a 360Ű walking route on the top deck for unparalleled views of the Antarctic landscape and wildlife. Experience breathtaking scenery like tabular icebergs, incredible wildlife spotting like pods of whales feeding, and intimate beach landings to get know the iconic penguins, all while traveling in style and comfort. Immerse yourself fully in this enchanted, otherworldly setting without missing a moment. Enjoy the last glimpses of of the continent or open ocean wildlife before crossing the Drake Passage as you sail back to South America.

ITINERARY

DAY 1: Arrive Punta Arenas

Arrive in Punta Arenas, Chile, before 2 PM where you are welcomed by one of our staff and transferred to your hotel. In the afternoon, you attend a mandatory briefing that provides important information about your voyage and reviews the essential guidelines for Antarctic visitors. Later, gather for a welcome dinner and meet your fellow adventurers while enjoying a typical regional menu.

DAY 2: Flight to Antarctica

Your Antarctic adventure begins with a two-hour flight from Punta Arenas to King George Island, in the South Shetland Islands, where you transfer to your expedition vessel and begin your Antarctic Adventure.

Explore the stunning beauty of the South Shetland Islands. Sail through ice-filled bays, observing sea birds, penguins, seals, and whales. Board a Zodiac for a memorable shore visit to a penguin colony and take advantage of the extended daylight for evening exploration.

DAY 4: Drake Passage - Day 4 & 5

Sail north through the Drake Passage while enjoying lectures and presentations. Watch for wildlife from the glass-enclosed lounge or outside decks, spotting magnificent sea birds, like albatrosses and petrels, as well as various whale species.

DAY 6: Cape Horn and Port Williams

Weather permitting, board a Zodiac and be one of the few privileged adventurers to step foot on legendary Cape Horn! We plan to explore this famous and rarely visited island before continuing our journey. Sail along the Beagle Channel towards Port Williams, Chile, the southernmost town in the world. Explore the surroundings before setting sail to Ushuaia, Argentina.
